Aggie Square Named “Next Big Idea” by Urban Land Institute

The Sacramento Chapter of the Urban Land Institute held its Vision Honors 2018 event in November to recognize outstanding leadership and programs in both the private and public sector in Sacramento's real estate land use community. At the event, ULI named Aggie Square the winner of the annual “Next Big Idea” award.

The award recognizes an upcoming project, master planning effort, redevelopment, program, policy or ‘idea’ that will transform our industry and our community. Any innovative idea that can positively impact the region’s quality of life is eligible for consideration.

Dr. David Lubarsky, Vice Chancellor of Human Health Sciences and CEO for UC Davis Health accepted the award on behalf of the University.
