

## Introducing Aggie Square

Aggie Square is where university, industry, and community meet to create opportunities for everyone.

**LOCATED ON** the UC Davis Sacramento Campus, Aggie Square will house business partners and community-based programs with UC Davis innovation and research to create a stronger and healthier shared community.

Aggie Square will feature state-of-the-art research facilities, modern office and mixed-use space, and world-class amenities. It will create new public space with welcoming, accessible entry points that connects the university with its neighboring communities. The result will be a unique live/learn/work/play environment that values inclusion and creates chance encounters among creative people.

The entrepreneurial partnerships we forge at Aggie Square will advance human health, enrich lifelong learning, enhance emerging technologies, and set the stage for future collaborations.
