RE: Affordable Student Housing Task Force

Dear Colleagues:

I write to invite you to serve as a member of a newly constituted task force on Affordable Student Housing.

This new task force will be convened and led by Associate Dean David Campbell. I ask that you please: (1) review our existing student housing options and their affordability; (2) suggest improvements to enhance the affordability of our existing student housing programs and services; and (3) make recommendations about any additional student housing programs or options we should consider implementing.

The task force is requested to submit a report with its feedback and recommendations to me by no later than June 30, 2018. If you are unable to serve on this group, please inform Ada McAdow in my office at almcadow@ucdavis.edu or (530) 752-9065.

Thank you for your willingness to serve our campus through your efforts to review and improve the affordable housing options available to UC Davis students.

Sincerely,

Gary S. May
Chancellor
