RE: Student Mental Health Care Task Force

Dear Colleagues:

I write to invite you to serve as a member of a newly constituted task force on Student Mental Health Care.

This new task force will be convened and led by Vice Chancellor Cam Carter. I ask that it please: (1) review our existing student mental health care services; (2) suggest improvements to those services; and (3) make recommendations about any additional programs and/or services we should consider implementing.

The task force is requested to submit a report with its feedback and recommendations to me by no later than **June 30, 2018**.

If you are unable to serve on this group, please inform Ada McAdow in my office at almcadow@ucdavis.edu or (530) 752-9065.

Thank you for your willingness to serve our campus through your efforts to review and improve the mental health care services available to UC Davis students.

Sincerely,

A handwritten signature in black ink that reads "Gary S. May".

Gary S. May
Chancellor
